THE STORY

Following a talking white rabbit, Alice falls down a hole to Wonderland and meets all manner of strange inhabitants, including the Caterpillar, the Mad Hatter, and the imperious Queen of Hearts. But just as Alice thinks she's home again, she discovers there's more Wonderland through the mirror, and she must travel through eight chess squares to become a queen herself. The classic tale unfolds at Magic Circle through an explosion of multi-media, music, and stage magic!
